110412	Producing beverages of fruit extract flavors
110413	Producing energy drinks
110421	Producing & packing mineral water on the site
110422	Producing & packing pure filtered water
110423	Producing & packing vitamin water bottles
252000	Producing weapons and ammunition
252011	Producing traditional ammunition
252012	Producing hand grenades
252013	Producing smart ammunition
252014	Producing heavy firearms
252015	Producing medium firearms
252016	Producing light firearms
252021	Producing traditional ammunition parts (unburnable)
252022	Producing smart ammunition parts (unburnable)
252023	Producing hand grenade parts (unburnable)
252024	Producing heavy firearm parts
252025	Producing medium firearm parts
252026	Producing light firearm parts
251111	Producing metal structure and parts thereof

251112	Producing columns and parts thereof, including (lamppost, lighting cabin and traffic light pole)
251113	Producing rafters and parts thereof
251122	Producing & installing prefab steel constructions for refineries
251122	Producing & installing prefab steel constructions for industrial facilities
251130	Producing prefab buildings which are mainly composed of metal
251141	Producing & forming reinforcing steel bars ( rebar)
251142	Producing & forming reinforcing steel mesh
251152	Producing & installing scaffoldings
251153	Producing & installing garage doors
251154	Producing & installing windows and doors
251155	Producing & installing stairs
251156	Producing & installing canopies
251157	Producing portable military shelters
251170	Producing air conditioning ducts and their accessories
251114	Producing light iron structures
251115	Producing prefab iron structure units
251116	Producing tunnel molds
251210	Producing reservoirs and tanks
251220	Producing radiator boilers of central heating
251230	Producing containers of liquefied or compressed gases, including (gas cylinder LPG)
251310	Producing boilers to generate water steam or other type of vapors
251320	Producing auxiliary units of used boilers, including (steam condensers)
259110	Producing finished or semi-finished products by beating, pressing, molding or rolling
259120	Producing metal objects directly from metal powders
259213	Processing & dyeing metals by painting and cleaning
259310	Producing metal homeware cutlery, including (knives, scissors, spoons, forks, etc.)
259320	Producing razor blades of all kinds
259331	Manufacture of agricultural hand tools
259332	Manufacture of carpentry hand tools
259333	Manufacture of mechanical and electrical hand tools
259334	Manufacture of hand tools of constructing and digging works
259340	Manufacture of saws, knives and cutting blades for machinery and mechanical appliances
259350	Manufacture of changeable cutting heads of hand tools, including (augers, milling cutters, felted sticks and bayonet lathe machines)
259360	Manufacture of blacksmith's tools, scythes, swaddle and blowtorches
259371	Manufacture of locks and locksmithing
259372	Manufacture of cloth hangers and clothespins
259373	Manufacture of metal scraps for buildings , furniture and vehicles
259381	Manufacture of swords
259382	Manufacture of daggers
259383	Manufacture of rifle bayonets
259910	Manufacture of metal clamps, including (nails, pins, setscrews and rings in all types)
259921	Manufacture of metal cables and strips from iron
259922	Manufacture of metal cables and strips from copper
259923	Manufacture of metal cables and strips from aluminum
259930	Manufacturing wire products, include (barbed wire, fences, expanded nets, etc.)

259940	Manufacture of metal vessels used in transporting and packaging products, including (barrels, waste containers, buckets, boxes, etc.)
259951	Producing hollow metal pots and similar kitchen utensils, tableware and frying and roasting tools
259952	Producing metal nickel-plated sanitary ware such as sinks, tubs and similars
259961	Producing springs except watch springs
259962	Producing iron safes
259963	Producing armored doors for prevention
259971	Producing metal tools for offices
259972	Producing car plates
259973	Manufacture of manhole covers
259974	Manufacture of metal extensions of air conditioning ducts
259975	Manufacture of metal roofs and their supplies
259976	Manufacture of metal signs and informative signs (non-electric)
259977	Manufacture of metal badges and metal military insignia
259981	Manufacture of welding rods
259982	Manufacturing metal frames
259983	Manufacturing chains
259984	Manufacturing bells and ship anchors
259285	Manufacturing & installing tools of railway tracks
259986	Manufacturing military archery targets
259987	Manufacturing military equipment covers
141031	Manufacturing ready-made kid clothes
170111	Manufacturing paper pulps from wood
170112	Manufacturing paper pulps from fibers
170113	Manufacturing paper pulps from wastes and removing the ink
170119	Manufacturing paper pulps, paper and cardboard
170120	Manufacturing papers of newspapers
170131	Manufacturing writing papers
170132	Manufacturing drawing and printing paper
170133	Manufacturing tracing paper and glossy paper
170151	Manufacturing napkin raw material
170152	Manufacturing packaging raw material
170210	Manufacturing paper and carton paper
170230	Manufacturing carton cans, boxes and foldable or expanded bags from paper or carton
170251	Manufacturing preserving cans of paper files
170252	Manufacturing covers of paper cylinders
170240	Producing paper cases
170910	Manufacturing carbon paper, copy and transfer paper in different sizes
170920	Manufacturing letter envelopes, correspondence cards, greeting cards and non-photo postcards
170930	Manufacturing notebooks, school notebooks, stationary and school objects from paper
170941	Manufacturing toilet paper and cleaning towel paper
170942	Manufacturing sanitary napkins

170972	Producing egg plates and similar
170973	Producing wallpaper
170974	Producing sewing pattern paper
170980	Producing paper for printing, writing and computer
191010	Producing coke coal or carbonated coal
191020	Collecting coke coal in the form of blocks
191030	Different kinds of coke coal products, including (Tar, Qar, etc.)
192010	Producing types of liquefied fuels (products of petrol refineries)
192020	Producing types of gas fuels (Ethan, Butane, Propane, etc.)
192030	Producing illuminating oils
192040	Producing lubricants for equipment and engines
192051	Producing Paraffin wax
192052	Producing asphalt
201110	Producing essential organic chemicals, including Acetylene except fertilizers and Nitrogen compounds
201121	Producing primary gases, including (Oxygen, Hydrogen, etc.)
201122	Producing liquid and compressed air
201123	Producing refrigerant gases
201124	Producing mixed industrial gases
201125	Producing medical gases
201130	Producing inorganic acids
201140	Producing Alkalies include Caustic Soda
201150	Producing materials of natural and industrial dyeing, painting and tanning
201160	Producing chemical factors
201170	Producing distilled water
201180	Liquefied natural gas LNG
201210	Producing fertilizers and Nitrogen compounds
201220	Producing phosphate fertilizers
201230	Producing Potassic fertilizers
201240	Producing Urea, Phosphate and Potassium salts
201251	Producing Nitric Acid
201252	Producing Ammonia
202342	Producing cologne and eau de toilet
202343	Producing Oud and Oud Oil
202344	Producing Bakhoor
202351	Producing shaving products
202352	Producing hair removers and hair straightening products
202353	Producing raw Glycerin
202361	Producing cosmetics
202362	Producing hand and foot care products
202371	Producing oral care products
202372	Producing denture adhesive paste and denture adhesive powder
202381	Producing industrial candles
202382	Producing candles made of candle mixture
202345	Mixing & packaging odors, oils and plants
202911	Producing explosives and pyrotechnic products
202912	Producing matches

202913	Producing detonation fuses and fireworks
202921	Producing gelatin & gelatin derivatives
202922	Producing glue of animal origin and glue of rubber and plastic origin
202923	Producing resins (plant Hydrocarbon secretion which a high value in the market due to their chemical components and their uses) include (lacquer and glue)
202931	Producing essential oils
202932	Modifying oils and fats chemically
202933	Producing types of protein
202941	Producing powders and pastes used in welding of all forms
202942	Producing substances used in acid cleaning of metal surfaces
202960	Producing photochemical products (photographic plates, films, sensitized paper, etc.)
202970	Producing writing and drawing ink
202980	Producing aromatic extracts and aromatic extract products, including (distilled water and aromatic mixtures)
202951	Producing antiknock preparations, antifreeze and refrigerant liquids preparations and fluids used in hydraulic fibers for transmission
202952	Producing medical (diagnostic) chemical reagents
202914	Producing military explosives
203011	Producing Synthetic capillary threads
203012	Producing synthetic threads, including (Nylon, Polyester, etc.)
203021	Producing monofilament
203022	Producing Industrial synthetic nodes, including (industrial strips)
210010	Producing pharmaceutical formulations for human use
210020	Producing pharmaceutical formulations for veterinary use
210030	Producing grinded, processed or ready-made plant products
210041	Producing surgical pads and fracture bandages
210042	Producing dental filling
210043	Producing surgical suture
210044	Producing medical cotton
210051	Producing pharmaceutical substances used in manufacturing medicines
210052	Producing pharmaceutical substances used in manufacturing vitamins
210054	Producing pure chemical sugar
210061	Producing Radioactive isotopes
210071	Producing devices and strips of blood glucose monitoring
231010	Producing essential products from glass
231021	Producing types of construction insulating glass
231022	Producing electric lamp glass
231023	Producing glass of chandelier crystals
231024	Producing glass crafts
231031	Producing kitchen utensils and tableware
231032	Producing glass packages and pots
231041	Producing glass objects for labs and pharmaceutical uses
231042	Producing glass objects for office uses
231043	Producing glass objects for sanitary uses
231051	Producing safety glass including cars
231053	Producing mirror glass
231060	Producing glass of watches, optics and Optical elements operated on a non-optical basis
231070	Producing types of glass crafts used in making imitation jewelry

231081	Producing glass fiber, including ( glass wool)
231082	Producing water tanks
231083	Producing tubes
231084	Producing boats and yachts
231085	Producing fiberglass canopies
231086	Producing multi-purpose fiberglass cans and boxes
239110	Producing thermal concrete
239121	Producing thermal insulating ceramic products
239122	Producing retorts, mufflers, chimneys, tubes and pipes
239123	Producing refractory bricks, blocks, tiles and thermal cement thereof
239210	Producing sand bricks, ground tiles, roofing tiles and chimney crucible
239220	Production of wall and floor tiles
239230	Production of underground electric wire tubes and pipes, gutters and ceramic tube supplies
239240	Production of pottery products, including ( roof tiles)
239250	Production of ceramic stones and tiles used in paving
239260	Production of thermal red bricks and clay bricks
239270	Production of mosaic cubes whether glazed or not
239320	Producing types of decoration, antiques, statues and ceramic and pottery stereoscopic
239330	Producing ceramic electric insulation and insulating fitting
239340	Production of ceramic and iron magnets
239350	Production of ceramic laboratory, chemical and industrial objects
239360	Producing pottery products used transporting or packaging commodities, including (Kola, zeer, jars, etc.)
239370	Producing ceramic furniture
239411	Producing traditional cement (Portland)
239412	Producing Sulphate - resistance cement
239413	Producing white cement
239414	Producing agglomerated cement
239421	Producing quicklime
239422	Producing slacked lime
239423	Producing hydraulic lime
239430	Producing plaster and gypsum
239415	Producing pozzolanic cement
239510	Production of cement blocks whether hollow or bricks
239520	Production of tiles and all kinds of cement mosaic
239531	Producing ready-mixed concrete
239532	Producing additives and plastic for concrete
239533	Producing cement of cement origin
239534	Producing ready-made concrete mixture and dry for many uses
239540	Producing cutters, plates, frames and ready-made buildings of concrete
239551	Producing cement or concrete tubes and pipes
239552	Producing cement or concrete tanks and tubs
239553	Producing cement or concrete homeware
239554	Producing cement or concrete window frames
239555	Producing cement or concrete statuary and decoration types
239560	Producing types of asbestos cement or cellulose fiber cement
239571	Producing construction materials of plant materials that are agglomerated by cement

239572	Producing construction materials of plant materials that are agglomerated by gypsum
239573	Producing construction materials of plant materials that are agglomerated by metal binding material
239580	Producing types of gypsum, include (frames, patterned frames, statuary, vases and decoration sorts)
239535	Producing lightweight concrete
239536	Producing insulated concrete blocks
239537	Producing precast insulated concrete
239538	Producing prefab concrete units
239630	Producing stone products, including (furniture, statuary, paintings, decoration kinds and the like)
239650	Producing marble products, including (kitchens, tubs, antiques, sinks, statuary, sculpture, drawing and the like)
239910	Producing metal friction materials
239920	Producing noise and thermal insulation materials
239930	Producing types of asphalt or similar materials (coal tar pitch)
239940	Producing stones of millstones and sharpening stones
239951	Processes on sand include grinding and cleaning
241011	Producing iron primary materials in the form of grains and powder
241012	Producing iron primary materials in the form of piers mass and waste after remelting
241021	Producing pure iron from electrolysis
241022	Producing pure iron from a chemical process
241023	Producing unprocessed iron
241024	Producing iron froth
241025	Producing cast iron including cast iron foundries
241030	Producing iron or steel products, etc. by stretching, extrusion or rolling
241040	Manufacture of sheets, panel and strip rolls, billets, rods, corners and sections in all forms
241050	Manufacturing tubes and pipes and hollow forms of iron and steel
241060	Manufacturing railway track construction supplies including (busbars, etc.)
242011	Producing unwrought precious metals of gold
242012	Producing unwrought precious metals of silver
242013	Producing unwrought precious metals of platinum group
242021	Producing wrought gold
242022	Producing wrought silver
242023	Producing wrought platinum
242024	Producing wrought platinum group
242031	Precious metal crafts coated, covered or mixed with gold
242032	Precious metal crafts coated, covered or mixed with silver
242041	Melting, rolling, dragging, refining and casting non-ferrous metals like Copper and mixtures thereof
242042	Melting, rolling, dragging, refining and casting Aluminum and mixtures thereof
242043	Melting, rolling, dragging, refining and casting Graphite, Tin and Zinc and their mixtures
242044	Melting, rolling, dragging, refining and casting Chrome, Manganese and Nickel and their mixtures
242051	Producing Aluminum Oxide from Nickel and Copper
242052	Producing semi-raw metals from Nickel and Copper

242060	Traditional non-ferrous metal products, including (wires, tubes, pipes, powder, paper, sheets, etc.,)
243111	Casting iron and steel products (finished)
243112	Casting iron and steel products (semi-finished)
243120	Producing tubes and pipes, hollow profiles and tube or pipe connections
243211	Casting non-ferrous metals (finished products), including (Aluminum, Zinc, etc.)
243212	Casting non-ferrous metals (semi-finished products), including (Aluminum, Zinc, etc.)
261001	Producing condensers and electronic resistors
261002	Producing accurate processors, including (internal and external modems)
261003	Producing electronic tubes and connections
261004	Producing integrated circuits
261005	Producing transducers for electronic uses
261006	Producing interface cards (sound, video, monitoring, net and modems)
261007	Producing components of display monitor (plasma, polymer and LCD displays)
261008	Producing connectors and cables of printers, monitors and Service access and connectivity ports
261011	Producing solar panels and parts thereof
261012	Producing smart cards
261013	Producing military electronics parts
262011	Producing PC
262012	Producing laptops
262013	Producing mainframe computers
262014	Producing palm computers (PDA)
262021	Producing computer storage media
262022	Producing printers
262023	Producing all forms of scanners
262024	Producing displays
262025	Producing keyboards and all kinds of mouse
262030	Producing ATM and non-automatic point of sale (POS)
262040	Producing multifunction office machines (fax, scanner and printer)
263011	Producing all types of trunks
263012	Producing wireless and mobile phones and their equipment
263013	Producing telephones, faxes and answer machines
263014	Producing equipment for digital communication, including (towers and access)
263015	Producing net modems and carrying equipment
263021	Producing transmit-receive antennas and equipment of cable television
263022	Producing equipment for radio and TV studios and equipment of live broadcasts including television cameras
263023	Producing radio and television transmission devices
263024	Producing remote control
263025	Producing fire alarm and anti-theft alarm systems that transmit control signals
263031	Producing drive & control systems and military communication systems
264011	Producing video devices
264012	Producing TV displays
264013	Producing CD-ROM video drives
264014	Producing home camcorder
264015	Producing videogames devices
264016	Producing TV sets

264021	Producing radio sets
246022	Producing voice recorder devices
264023	Producing audio systems
264024	Producing headphones of radio, recorder and computer
264025	Producing audio CD players
264026	Producing microphones and sound amplifiers
2645111	Producing measuring instruments and plane black boxes
265113	Producing navigation and radar equipment and devices
265114	Producing electrical test and measuring equipment and electrical signal equipment
265121	Producing measuring devices of aerial monitoring
265122	Producing Temperature and humidity controllers
265123	Producing radiation detection devices
265131	Producing sensitive scales and measurements used in laboratories for testing
265132	Producing labs analytical devices, including (blood analyzers)
265133	Producing measuring devices of spectrum analysis
265141	Producing testing and monitoring instruments
265142	Producing polygraphs
265143	Producing military measuring, checking and testing equipment
265144	Producing metal detectors
265145	Producing military routers
265191	Producing survey equipment
265192	Producing non-medical thermometers, include ( industrial thermometers )
265193	Producing GPS devices
265194	Producing electricity, gas and water consumption meters
265146	Producing radars and military sensors
265147	Producing military electronic jamming systems
265212	Producing and collecting clocks, including (wall clocks)
265213	Producing pocket watches
265214	Producing clock parts of all types, including (clock springs)
265220	Producing time recorders and devices for measuring time intervals
266011	Producing traditional radiological tubes, equipment and devices and their parts for medical, scientific and research uses, including ( X-ray, Beta ray and Gama ray)
266012	Producing CT scanner equipment
266013	Producing MRI equipment
266014	Producing Ultrasound Imaging equipment
266015	Producing Positron Emission Tomography equipment
266016	Producing Medical laser equipment
266017	Producing equipment for measuring radioactivity in food and milk
266021	Producing pacemakers
266022	Producing cardiograph devices
266023	Manufacturing hearing amplifiers
266024	Manufacturing medical electronic endoscopes
267001	Manufacturing medical mirrors
267002	Manufacturing medical magnifying equipment
267003	Producing film cameras and digital cameras
267004	Producing animation devices, slide projectors and transparency projector devices
267005	Producing lenses, optical microscopes, binoculars and telescopes

267006	Producing vision measuring and inspection machines, including (firefighting equipment, photometric scales and rangefinders)
265007	Producing military binoculars
267008	Producing military cameras
268001	Producing empty audiovisual video tapes
268002	Producing empty audiovisual cassette tapes
268003	Producing empty magnetic disks
268004	Producing empty visual disks
268005	Producing hard disks
271010	Producing electric engines and generators
271020	Producing electrical transmitters
271030	Producing power control and distribution units
271050	Producing parts of generators, engines and electrical transmitters
271061	Producing parts ( noncombustible) of military explosives
272010	Producing unchargeable batteries and primary cells ( contain Manganese Oxide, Quicksilver Oxide and Silver Oxide)
272020	Producing liquid battery
272030	Producing dry cell battery
272050	Producing electric accumulators including parts thereof
273100	Manufacturing visual fibers
273201	Manufacturing insulated wires and cables made of steel
273202	Manufacturing insulated wires and cables made of copper
273203	Manufacturing insulated wires and cables made of aluminum
273310	Manufacturing metal tapes of electric conduction
273320	Manufacturing equipment of the internal electricity grid
273330	Manufacturing bulb holders
273340	Manufacturing lightning rods
273350	Manufacturing switches of all kinds (for buildings and appliances)
273360	Manufacturing exits and sockets
273371	Manufacturing electrical connections and metal wiring channel
273372	Manufacturing electrical connections and plastic wiring channel
274010	Manufacturing electric bulbs
274020	Manufacturing lightening connectors
274030	Manufacturing personal illumination equipment
274040	Manufacturing chandeliers
274050	Manufacturing lanterns and highlighting equipment
275011	Manufacturing refrigerators and freezers
275012	Manufacturing water coolers
275013	Manufacturing dishwashers
275014	Producing electric washers & dryers
275015	Producing electric fans
275021	Producing vacuums
275022	Producing heaters
275023	Producing water heaters
275024	Electric floor buffing machines
275031	Producing electric blenders
275032	Producing juicers
275033	Producing electric can openers

275041	Producing electric shavers
275042	Producing electric teeth cleaners
275043	Producing electric hair dryers, combs, brushes and hair rollers
275051	Producing ovens
275052	Producing microwaves
275053	Producing grills
275054	Producing toasters
275055	Producing machines of tea, coffee, etc.
275060	Producing non-electric homeware for cooking and heating
279003	Producing electrical signals and alarm panels, including ( traffic and pedestrian signals)
279004	Producing electric welding of steel and soldering including manual soldering irons
281110	Producing Internal combustion engines and their parts
281120	Producing steam turbines
281130	Producing turbines, water wheels and regulators thereof
281150	Producing of gas turbines of ship engines and electric generator main strokes
281200	Producing boiler turbine devices or stationary steam engines
281320	Producing equipment for fluid power engines
281330	Producing liquid pumps of all kinds
281340	Producing gas and air vacuum pumps
281350	Producing faucets, valves and similar devices
281410	Producing compound pumps on internal combusting engines (pumps of water, oil, fuel, etc.)
281420	Producing ball bearings and roller bearings including balls, rollers, rings and metal cylinders
281430	Producing equipment for mechanical power transmission from any material (columns, arms, chairs and bucklers) for rotating, interlocking and transmission
281500	Producing chains of energy transmission
281611	Producing ovens, furnaces and furnace burners
281612	Producing simple and complicated lifting and handling equipment
281613	Producing stationary lifting and handling equipment
281614	Producing moving lifting and handling equipment on metal tracks
281621	Producing carried lifting and handling equipment on wheeled structures
281622	Producing pulley tackles, hoists and winches
281631	Producing car jacks
281632	Producing derricks
281633	Producing cantilever crane
281640	Producing mobile tower frames
281650	Producing lifting and handling equipment used in dock areas (ports), factories, warehouses, etc.)
281660	Producing lifting, handling and portorage equipment, include (hooks, spades, etc)
281711	Producing typewriters of all kinds
281712	Producing & renewing printers and toner cartridges
281713	Producing Offset Printing machines
281720	Producing manual and desktop calculators, cashboxes in shops (manual or automatic), note-counting machines and check writers
281731	Producing postage meters and collating machines
281732	Producing packaging equipment and bookbinding machines
281740	Manufacturing envelop stuffing machines and mail sorting machines

281810	Manufacturing power-driven hand tools, including (electric chainsaws and electric drills)
281820	Manufacturing pneumatic hand tools, including (nailers, rivets and screws)
281910	Manufacturing weighing scales and digital scales for different uses
281921	Manufacturing freezing and cooling rooms and equipment
281922	Manufacturing water and fluids coolers in construction
281923	Manufacturing air conditioner (units or central)
281931	Manufacturing desert air conditioners of all sizes
281932	Manufacturing gas and fluids filtering and purifying machines and equipment
281941	Manufacturing desert air conditioners of different sizes
281942	Manufacturing distilling and refining machinery and equipment
281943	Manufacturing centrifuges
281944	Manufacturing liquefying air and gas machines
281951	Manufacturing machines for packing, wrapping and cleaning pots
281952	Manufacturing pot-making machines
281961	Manufacturing painting tools
281962	Manufacturing firefighting equipment
281963	Manufacturing sandblasting and crushing machines
281964	Manufacturing steam cleaning machines
281965	Manufacturing non-electric steel welding and soldering equipment
282111	Manufacturing & collecting tractor machines and equipment
282112	Manufacturing & collecting tillage machines and equipment
282113	Manufacturing & collecting self-loading and unloading trailers
282114	Manufacturing & collecting agricultural handling machines and tools
282115	Manufacturing & collecting pivotal irrigation machines and equipment
282121	Manufacturing & collecting machines for farming, gardening or forests for soil preparation, planting or fertilizing crops
282122	Manufacturing seeding machines
282131	Manufacturing machines for harvesting, reaping and cutting trees
282132	Manufacturing egg cleaning and sorting machines
282133	Manufacturing fruit and vegetables cleaning and sorting machines
282140	Manufacturing milking machines
282150	Manufacturing spraying machines for agricultural use
282211	
282212	Manufacturing automatic machines used in forming stones
282213	Manufacturing automatic machines for forming metals
282214	Manufacturing automatic machines for forming cold glass
282221	Manufacturing automatic machines for recycling
282222	Manufacturing automatic machines for drilling
282223	Manufacturing automatic machines for digging
282224	Manufacturing automatic machines for the formation
282225	Manufacturing automatic machines for sharpening
282231	Manufacturing automatic machines for stamping
282232	Manufacturing automatic machines for pressing, including (punch press)
282233	Manufacturing automatic hydraulic machines
282234	Manufacturing automatic machines for scissors, splitting and separator tools
282235	Manufacturing automatic machines with simple designs, including (foot powered presses and propellers)
282236	Manufacturing automatic machines with advanced design, including (CNC machines)

282240	Manufacturing machines for stapling, nailing and gluing
282251	Manufacturing chainsaws
282252	Manufacturing scraping machines
282253	Manufacturing auto hammers
282254	Manufacturing riveting machines
282255	Manufacturing metal sheet cutting machines
282261	Manufacturing presses to produce particle wood
282262	Manufacturing presses for producing construction boards
282270	Manufacturing parts, supplies and accessories of automatic machines
282310	Manufacturing machines and tools for handling hot metals, including (converters, ingot moulds, ladles, casting machines, etc. used in metal foundries)
282320	Manufacturing metal rolling mills and rolls thereof
282410	Manufacturing machines and equipment for lifting and handling used underground like continuous action elevator
282420	Manufacturing boring, cutting, drilling and tunneling
282430	Manufacturing metal processing machines by sorting, screening, separating, washing, crushing, etc.
282450	Manufacturing concrete mixers and cemento
282461	Manufacturing bulldozers
282462	Manufacturing road-leveling bulldozers
282463	Manufacturing graders
282464	Manufacturing skimming machines
282466	Manufacturing mechanical shovels
282467	Manufacturing mechanical loading shovels
282471	Manufacturing pile extraction machines
282472	Manufacturing concrete surfacing machines
282473	Manufacturing bitumen spreaders
282474	Manufacturing concrete forming machines
282481	Manufacturing track-lying tractors
282482	Manufacturing rods used in construction and mining
282483	Manufacturing bulldozer blades
282484	Manufacturing blades of road-leveling bulldozers
282485	Manufacturing off-road spoil trucks
282510	Manufacturing dairy products machines
282521	Manufacturing machines for producing, baking, cleaning and sorting grains
282522	Manufacturing machines for producing, baking, grinding, cleaning and sorting dehydrated vegetables
282523	Manufacturing machines for producing, baking, grinding, cleaning and sorting nuts
282530	Manufacturing machines for extraction and preparing animal fats, plant oil, fruit juice, crushes and the like
282541	Manufacturing automatic bakery machines and equipment
282542	Manufacturing oven equipment for non-electric bakeries
282551	Manufacturing Pasteurization units
282552	Manufacturing non-domestic microwaves
282553	Manufacturing broasted machines
282571	Manufacturing cooking machines and ovens of all kinds that work by suppression of heat pressure (Mandi)
282572	Manufacturing frying equipment

282573	Manufacturing roasting equipment
282611	Manufacturing machines for preparing synthetic textile fibers, materials yarn threads, production, drawing, polishing or cutting thereof
282612	Manufacturing machines for preparing textile fibers, include: (cotton gins, bale breakers, sanding machines, cotton spreaders, wool scourers, wool carbonizing machines, combs machines, carders and roving frames)
282613	Manufacturing spinning machines
282614	Manufacturing textile yarn machines, including reeler and warper machines and related machines
282615	Manufacturing spinning machines (looms) including handlooms
282616	Manufacturing knitting machines (knitting crafts)
282617	Manufacturing Knotted net machines, tulle nets, lace nets and braids
282621	Manufacturing patterned fabric machines
282622	Manufacturing Jacquard fabric machines
282623	Manufacturing automatic positioning stop machines
282624	Manufacturing machines for shuttle-changing mechanisms
282625	Manufacturing Mardanes machines, and Mardanes weaving guides
282630	Manufacturing textile printing machines
282641	Manufacturing machines for washing, shortening, dyeing, trimming, preparing, covering and impregnating textile fabrics
282642	Manufacturing textile rolling, loosing, folding, cutting and piercing machines
282651	Manufacturing ironing machines
282652	Manufacturing commercial washers and dryers
282653	Manufacturing dry cleaning machines
282660	Manufacturing different types of sewing machines and their parts
282671	Manufacturing felt machines
282672	Manufacturing non-textile materials machines
282681	Manufacturing preparation, tanning, operating machines for leather and tanned leather
282682	Manufacturing footwear machines
282683	Manufacturing shoes repairing machines
282684	Manufacturing machines of different types of leather
282685	Manufacturing fur or tanned leather machines
282910	Manufacturing paper-making industry machines, including (machines for making pulp, manufacture of paper machines and cardboard)
282920	Manufacturing rubber and plastic producing machines, including (manufacturing machines for producing and renewing tires, and rubber molding machines)
282931	Manufacturing printing machines
282932	Manufacturing printing letters molding and lining machines
282940	Manufacturing machines for producing tile, bricks, and ceramics
282951	Manufacturing electric light bulb assembling machines
282952	Manufacturing electronic light bulb assembling machines
282960	Manufacturing glass, containers, fiber, or glass fiber-producing machines
282970	Manufacturing machines of bookbinding, and printing supplementary activities except for manufacturing textile printing machines
282981	Manufacturing military simulators
291011	Manufacturing & assembling small cars
291012	Manufacturing & assembling buses and carriers

291013	Factories of armored civilian vehicles
291020	Manufacturing & assembling motor car structures
291030	Manufacturing & assembling car engines and parts thereof
292011	Manufacturing vehicle bodies from wood
292012	Manufacturing vehicle bodies from metal
292021	Manufacturing trailers installed on motor structures
292022	Manufacturing caravan semi-trailers
292023	Manufacturing trailers for railroad and roads
292024	Manufacturing trailers for carrying furniture and cars
292030	Manufacturing liquid tanks
292040	Manufacturing ordinary or cooling containers for carrying goods
292050	Manufacturing trailers and semi-trailers parts
293010	Manufacturing & renewing gearboxes
293021	Manufacturing radiators
293022	Manufacturing tailpipes
293023	Manufacturing handles
293024	Manufacturing brakes
293030	Manufacturing car filters of all kinds
293091	Manufacturing rolling bearings and bearings
293092	Manufacturing steering columns and gearboxes
293093	Manufacturing car seats
293094	Manufacturing car spare parts
301111	Manufacturing passenger ships
301112	Manufacturing ferries
301113	Manufacturing goods ships
301114	Manufacturing oil tankers
301115	Manufacturing ship trailers
301120	Building military ships
301131	Manufacturing floating offshore installations, including (floats, get-off platforms, floating tanks, flat bottom canoes)
301132	Manufacturing non-navigational ships, including (drillers, floating platforms and walls)
301141	Manufacturing fishing boats
301142	Manufacturing ships that contain fish preparation factories
301151	Manufacturing parts of military ship
301152	Manufacturing ships plating
301211	Manufacturing yachts and rowboats
301212	Manufacturing rowed lifeboats
301213	Manufacturing pleasure crafts with engines
301220	Manufacturing fishing boats and canoes
301231	Manufacturing sailboats
301232	Manufacturing racing canoes
302010	Manufacturing train tractors
302021	Manufacturing railroad cars
302022	Manufacturing food and sleeping cars
302023	Manufacturing goods cars
302024	Manufacturing train supplying cars
302025	Manufacturing tanker cars and self-propelled carts
302026	Manufacturing parts, items and equipment for railroad tractors

303011	Manufacturing passengers and goods civilian aircraft
303012	Manufacturing military aircraft
303013	Manufacturing sportive aircraft
303014	Manufacturing civilian helicopters
303015	Manufacturing gliders
303016	Manufacturing air and engines balloons
303020	Manufacturing supplementary parts and items for civilian aircrafts
303031	Manufacture of military aircraft
303032	Military aircrafts plating
304001	Manufacturing military land and amphibious vehicles
304002	Manufacture of military vehicle parts
304003	Armoring of military vehicles
309101	Manufacture & assembly of motorbikes
309102	Manufacture of motorbikes engines
309103	Manufacture of motorbikes parts
309104	Manufacture of side vehicles of motorbikes and items thereof
309211	Manufacture & assembly of bicycles.
309212	Manufacture and assembly of kids' bicycles.
309213	Manufacture of delivery three wheel bicycles
309220	Manufacture of traditional bike parts
309230	Manufacture of the handicapped bikes, even those supplied with motors or those non supplied with motors
309240	Manufacture of kids' carts
309910	Manufacture of hand-held vehicles and carts
309920	Manufacture of animal-drawn vehicles and carts
321111	Manufacture of wrought pearls
321112	Manufacture of precious or semi-precious stones
321113	Manufacture of precious metals and gemstones
312114	Manufacture of jewelry from silver
321117	Manufacture of jewelry parts
321118	Manufacture of wrought diamonds
321132	Manufacture of marks, insignia and medals
321133	Manufacture of prayer beads
321140	Manufacture of technical items or laboratory items from precious metals
321201	Manufacture of imitation jewelry and accessories
