

## INVEST IN SAUDI ARABIA

### SERVICES – RELATED PERMITS

#### ➤ ADVANTAGES:

- Can be founded with a foreign ownership at 100%.
- Includes more than 600 business activities.

#### ➤ CONDITIONS:

1. Having a commercial register of a foreign company which was issued no later than one year.
2. Memorandum of Association “MOA” shall be available to be submitted.
3. Having a profiteering financial statement.
4. All documents issued in the company’s home country shall be duly authenticated at the Saudi Embassy.

#### ➤ SERVICES ACTIVITIES:

Activity Code	ACTIVITY NAME
016200	Activities of livestock production
091001	Oil well drilling
091002	Gas well drilling
091003	Services connected with oil extraction except mapping services
091004	Services connected with natural gas extraction except mapping services
099011	Boring test of metals exploration and precious metals
351011	Electric power generation
351012	Electric power transmission
351013	Distribution & retailing of electric power
351014	Distribution & wholesale of electric power
351015	Nuclear facilities
351016	Importing & exporting electric power
351017	Bring forward electricity generation and buying projects for wholesale
351018	Buying & selling of electric power system services
360011	Water harvesting
360012	Water purification
360013	Water desalination
360014	Water transmission and distribution
360015	Water salinity reduction
370001	Wastewater disposal

370002	Operating wastewater treatment systems and facilities
381101	Municipal waste collection services
381103	Materials collection for recycling
381104	Transfer of non-hazardous industrial waste
381105	Transfer of municipal waste
381106	Used cooking oil collection
381201	Hazardous industrial waste transferring and collection
381202	Transfer of hazardous medical waste
381203	Collecting & transferring of garbage outcomes of marine and coastal habitat fighting and cleaning works
381204	Hazardous materials transportation
381205	Asbestos waste transportation
381206	Oil transportation from a marine craft to another within the sea or from offshore oil collecting sites in cases of contamination
382101	Operating municipal landfills for managing
382103	Managing organic waste to manipulate it later
382105	Non-hazardous industrial waste storage
382106	Disposal of non – hazardous industrial wastes
382202	Operating facilities of hazardous medical waste management
382203	Final disposal of hazardous wastes
382204	Storing hazardous industrial wastes
382205	Storing hazardous medical wastes
382206	Storing used oil
382207	Disposal of used oil
382208	Operating used oil treatment facilities
383001	Preparing garbage, metal scarp and different kinds of metals to be used as raw materials
383002	Separating & sorting garbage, metal scarp and different kinds of metals to be used as raw materials
383005	Recycling & reusing municipal wastes
383006	Recycling & reusing hazardous wastes
383007	Recycling & reusing non-hazardous industrial wastes
383008	Recycling & reusing petroleum oil and wastes
390001	Soil disinfection and rehabilitation in contamination sites
390002	Beaches disinfection, cleaning and rehabilitation from pollutants
390003	Removal of groundwater pollutants
390004	Prevention of oil, chemicals and noxious matter pollution
390005	Asbestos separating and storing
390006	Disposal of mines and the similars, including ( miner explosion)
390007	Asbestos disposal
410010	General construction of residential buildings
410021	General construction of non-residential buildings including (schools, hospitals, hotels, etc.)
410022	Construction of airports and their facilities
410023	General construction of government buildings
410030	Constructions of prefabricated buildings on sites
410040	Restoration of residential and non-residential buildings
421010	Constructing roads, streets, pavements and road supplies

421020	Constructing bridges and tunnels
421030	Constructing railway lines
421040	Constructing airfields
421051	Repairs & maintenance of roads, streets, pavements and road supplies
421052	Repairs & maintenance of bridges and tunnels
422020	Expansion of oil and gas pipelines
422031	Expansions of water pipelines between cities and within them and constructing new systems
422032	Constructing stations and main pipelines for water allocation
422041	Construction of irrigation canals and main water storage towers
422042	Drilling tube water wells
422043	Drilling hand-dug wells
422044	Repairs & maintenance of irrigation canals and main water storage towers
422045	Repairs & maintenance of wastewater, wastewater systems and pumps' stations and projects
422046	Repairs & maintenance of electric power plants and electrical transformers
422047	Repairs & maintenance of wired and wireless cell towers and radar
422050	Constructing wastewater, wastewater systems and pumping stations and projects
422060	Constructing electric power plants and electrical transformers
422070	Constructing wired and wireless cell towers and radar
429010	Constructing refining plants, petrochemicals and refineries
429020	Construction of piers and marine facilities
429030	Construction of ports and touristic roadsteads
429040	Constructing dams
429050	Cleaning waterways
429060	Constructing breakwaters and pavement protection
429071	General sports constructions including playgrounds
429072	Construction of military arenas
429073	Repairs & maintenance of dams
429074	Repairs & maintenance of piers and marine facilities
431210	Preparing and equipping sites including digging and land leveling
431220	Concrete casting
431230	Groundwater withdrawal and drying sites
431240	Rock cutting using explosives
432111	Electrical wiring
432112	Telecommunications wiring
432113	Networks wiring
432121	Installing & wiring TV and satellite networks
432122	Installing & wiring computer and communication networks
432131	Installing lighting systems
432132	Installing & maintenance of fire detection devices and equipment
432134	Installing & maintenance of security devices
432135	Installing & maintenance of traffic safety devices
432210	Installing, maintaining and repairing electric, gas or oil heating systems
432220	Installing, maintaining and repairing solar energy networks
432230	Installing, maintaining and repairing sanitaryware
432240	Installing, maintaining and repairing cooling systems and air conditioners
432251	Expanding, maintaining and repairing gas pipes

432252	Expanding, maintaining and repairing steam pipes
432253	Expanding, maintaining and repairing firefighting pipes
432254	Expanding, maintaining and repairing irrigation pipes
432260	Installing, expanding, maintaining and repairing air conditioner pipes
432911	Installing & maintenance of lifts
432912	Installing, maintaining and repairing escalators, conveyor belts and ground ones
432920	Installing, maintaining and repairing automatic doors
432930	Installing, maintaining and repairing lightning rods
432940	Installing, maintaining and repairing central cleaning systems
432950	Installing, maintaining and repairing thermal insulators and waterproofs
432961	Installing & maintenance of civil defense vehicles, heavy equipment which are used to interfere in building collapsing accidents and earthquakes and personal protection equipment
432962	Installing & maintenance of early warning sirens and their control switches
432963	Installing & maintenance of firefighting devices and equipment
432972	Installing & maintenance of shelving and storage systems
433010	Building Finishing
433021	Installing doors, windows, door frames, handrails, stairs and wooden kitchens
433022	Installing doors, windows, door frames, handrails, stairs and aluminum kitchens
433023	Installing doors, windows, door frames, handrails, stairs and metal kitchens
433024	Installing awnings and canopies
433030	Installing indoor ceilings, partitions and wood- veneered walls
433041	Installing ceramic and cash tiles
433042	Installing marble
433043	Stone setting
433044	Installing roof tiles
433045	Washing & polishing tiles and marble
433051	Parquet flooring covering
433052	Ground covering with rubber, poncho and plastic
433061	Works & installing of decorations
433062	Decoration works and wallpaper installation
433071	Stuccoing & plastering works
433072	Painting works of interior and external buildings
433073	Painting works of modern engineering structures
433081	Installing glass and mirrors for the buildings
433082	Installing tower front glass
433091	Cleaning of new buildings after finishing construction
433092	Interior fitting of stores, movable structures and boats
433099	Installing furniture
439011	Bricklaying works
439012	Lay landscape rocks work
439020	Erecting scaffolding
439030	Installing swimming pools
439040	Cleaning steam and sandblasting for buildings
439050	Rental of construction equipment with an operator
439061	Setting up & maintenance of pre-stressed concrete units
551011	Hotels
551012	Motels

551013	Heritage hotels
551014	Medical hotels
551015	Boutique hotels
551021	Furnished residential units
551022	Aparthotels
551023	Villa Hotel
551024	Villa heritage hotel
551025	Serviced apartments
551030	Youth hostels
551041	Vacation homes
551042	Resorts
551043	Tourist hostels
551044	Lodges
551045	Rural resorts
551046	Agricultural lodges
551050	Mansions and wedding and event halls
551060	Timeshare units
551071	Cabinet hotels
551081	Tourist residence management
552001	Camps
561010	Restaurants with service
561021	Buffet ( cafeterias)
561031	Fast food businesses, include (pizzerias)
561040	Takeaway food businesses (eating food outdoors)*
561050	Ice cream stall
561060	Mobile food car
561092	Grilled fish and seafood stores
561093	Grilled meat stores (BBQ)
562111	Preparing banquets kitchen for parties
562112	HaJJ & Umrah rations contractors
562901	Caterer activities
562902	Operating food services in sport facilities and the like, according to a specific privilege
562903	Operating buffets and cafeterias according to a specific privilege, include (buffets and cafeterias in factories, offices, hospitals, schools, etc.)
562904	Flight caterer activities
563011	Beverage shops (coffee shops)
563012	Popular cafes
563014	Ice cream shops
563020	Serving of fresh juice and cold drinks
581101	Publish books, dictionaries, atlases and maps including (
581104	Electronic publishing
581105	Audiobooks
581106	Publish books online
581200	Publish guidebooks and postal addresses
581201	Publish address lists
581202	Publish telephone book
581311	Publish newspapers, magazines and journals

581323	Publish broadcast and television, including (scientific and political bulletin)
581901	Publish greeting cards
581902	Stickers & templates
581904	Publish photos and carving patterns
582001	Publish ready-made programs
582002	Operating systems
582003	Computer games
591101	Producing movies, including traditional animation
591102	Movies & video programs
591103	TV programs
591104	Producing TV commercials
591105	Operating audiovisual studio
591201	Editing movies, including translation, montage and subtitling
591202	Producing animation using the computer
591203	Special effects and developing film processing
591204	Movies & animation Labs
591311	Distribute movies to exhibitors and TV networks
591312	Distribute videos to exhibitors and TV networks
591313	Distribute digital video cd to exhibitors and TV networks
591401	Operating fixed cinemas
591402	Activities of movie clubs
591403	Operating permanent movie theatres
591404	Operating temporary movie theatres
591405	Operating sensory cinemas
592011	Producing audio recordings on cassette tapes
592012	Producing audio recordings on cd
592013	Distributing recordings to traders
592015	Producing radio programs and sound recordings
601001	Radio broadcasting through air, wires or satellites
601002	Radio broadcasting online (online radio stations)
601003	Radio activities
602011	TV broadcasting
602031	TV activities
602032	Activities of channel subscription programming
602033	Programming of cinema channel subscription
602034	Operating satellite uplink services to distribute audible and visual content
602035	Operating platform of satellite channels distribution and management via satellite receivers and distributing streaming via satellite by CAS systems
611004	Supply wired data services
619011	Cybercafés
619013	Satellite channel subscription services
619021	Provide automatic vehicle locating services
619023	Provide the Internet of Things by using the frequencies that are exempted from licensing
620101	Systems analysis
620102	Designing & programming special software
620104	Designing an interface and user experience
620105	Self-transition techniques

620106	Robot techniques
620107	3D printing techniques
620108	Virtual & augmented reality techniques
620111	Application development
620112	Electronic games development
620113	Ai techniques
620114	Biotechnology solutions
620115	Financial technology solutions
620116	Military software
620211	Provide communication network management and monitoring service
620214	Cyber safety
631111	Provide e-approval services
631112	Blockchain techniques
631113	Techniques of massive data and data analysis science
631121	Lay infrastructure of web hosting and prepare data services and related activities
631122	Provide SMS services
631125	Enroll to provide cloud computing services
639100	News agencies services, including news companies and news agencies which provide media with news, photos and news stories
639901	Journalism services
641100	Central banks
641911	National commercial banks
941921	Land banks
641922	Industrial banks
641923	Agricultural banks
641924	Development banks
641932	Financial services technique
641933	Managing & operating cash centers
641934	Agency banking services
642001	Managing subsidiary companies of the parent company
642002	Invest subsidiary companies' money
642003	Owning the necessary proprieties and chattels to the parent company
642004	Provide loans, warranties and finance to subsidiary companies
642005	Having subsidiary industrial property
642006	Hiring subsidiary industrial property
643014	Credit investment department boxes
649100	Financing leases
649111	Registration of financing lease contracts
649221	Real estate financing
649222	Restoring real estate financing
649223	Financing production assets
649224	Financing small and medium enterprises
649225	Financing credit cards
649226	Consumer financing
649227	Microfinance
649228	Mini finance
649231	Issue debt instruments by a corporation with specific goals
649232	Debt crowdfunding

649913	Financial settlements & compensations
649914	Registration of real estate finance bonds
649915	Digital Moderation
649916	Debt collecting of funding bodies
649921	Investment activities of the concerned units account, include risk capital and investment clubs
649922	Activities of investment companies
651201	Health insurance
661101	Listing and trading of securities
661102	Deposit and settlement of securities
661103	Securities clearing
661212	Exchange centers
661221	Dealing in securities
661901	Bank draft centers
661903	Securities arrangements
661904	Provide securities counsel
661905	Custody of securities
661906	Credit rating activities
661907	Financial techniques in securities business
661908	Payment systems and financial settlements and the related services
661911	Provide paying services for sales and safe and smart electronic outlets
662111	Sampling and estimating loss
662120	Settling insurance claims
662200	Insurance agency
662211	Insurance brokerage
662213	Electronic insurance brokerage
662912	Actuarial services
663001	Pension fund & social insurance management
663002	Investment management & fund operation
663003	Investment management
682010	Activities of broker agents (broker offices)
682020	Properties management for a commission
682041	Land registry services
691030	Patent registration activities
691041	Reporting of advertisements, appointments, orders and judicial documents of execution
691042	Judicial storage to keep money
691043	Movable assets delivery to the tenant
691051	Money management and save it for property
691052	Money management and save it for trading estates
691053	Money management and save it for medical facilities
691054	Money management and save it for vehicles
691055	Money management and save it for cattle
691062	Arbitration center services
701012	Activities of head offices
702011	Granting management system certificate of conformity
702012	Validation of papers, documents and data

702014	Rehabilitation & restructuring of management, financial and operating processes of structures
702015	Public affairs & communication
702017	Provide high administrative counsel services
702031	Income cycle management
711012	Provide technical services for fire prevention
711014	Management of construction projects
711020	Scanning, geological exploration and mining activities
711058	Geographic information systems
711060	Acoustical engineering activities
711081	Energy efficiency management activities
711082	Data Inspection and examination constructions activities
711083	Provide re-examine energy design services
711084	Activities of providing engineering design for energy efficiency standards services
711085	Activities of providing measuring and energy- checking services
711068	Activities of data reviewing and industrial construction
712010	Activities of tests and physical analysis
712020	Activities of testing and trusting grade, quality and product
712031	Food labs
712032	Petroleum & chemical labs ( inorganic substances like gold and precious stones checking)
712033	Electric & electronic products labs
712034	Constructing and building materials labs
712035	Textile products labs
712036	Measuring, standardizing and examining labs
712037	Cosmetics labs
712038	Veterinary labs
712040	Testing & testing penny indicators
712041	Testing & testing penny indicators and operating water labs
712042	Testing & testing penny indicators and operating soil labs
712043	Testing & testing penny indicators and operating air labs
712051	Testing finished machinery performance
712052	General materials labs
712053	Mechanic & metal products labs
712061	Periodic testing of cars concerning safety on roads
712062	Testing & checking ships
712063	Testing & checking on- board safety equipment
712064	Using drones to check cell towers, electric power lines, industrial structures and renewable energy
712071	Granting certificate of conformity in production and manufacturing sectors or in providing services and operations
712072	Examining & inspecting different systems and estimating performance thereof
712073	Examining & testing materials, products, operations, machinery and equipment
712074	Checking conformity and granting certificates to products and foodstuff facilities
712075	Scaling materials, devices and equipment
712076	Granting certificates which prove the reliability of a person as a part of a specific professional and crafts business
712077	Checking conformity of medical devices and products

712078	Labs of medical devices and products
712081	Industrial radiography
712082	Measuring physical agents or production line quality using radioisotopes
712083	Measuring geophysical and hydrological factors of water wells or oil wells using radioisotopes techniques
712084	Checking containers using radiation
712086	Checking conformity and granting certificates to cosmetic and pharmaceutical products and facilities
721001	Research & development in Physics (Natural Science) field
721002	Research & development in Engineering and Technology field
721003	Research & development in Medical Sciences
721004	Research & development in Biotechnology
721005	Research & development in Agricultural Sciences
721006	Multi-sector research & development mostly in Physics and Engineering
722001	Research & development in Social Studies
722002	Research & development in Humanities
722003	Multi-sector research & development mostly in Social Studies and Humanities
722004	Centers of Research and Social Studies
731011	Institutions of advertising and publicity institutions
731012	Activities of calligraphers and painters
731013	Providing Marketing services for others
731014	Aerial advertising
731030	Installing & collecting neon banners
732000	Market surveys and creating polls
741010	Activities of fashion, garments, shoes and jewels designing,
741020	Activities of designing interior decoration
742011	Activities of photography
742012	Activities of aerial photography
742013	Flying pilotless airplane for aerial photography
742020	Activities of commercial and tourism photography using all different kinds and styles of photography
742031	Fast film development
742032	Developing slides
742040	Activities of photojournalists
742050	Activities of copying documents using microfilm
742054	Centers of clinical studies
742081	Mediation and sports marketing
750011	Activities of veterinary hospitals
750012	Activities of veterinary clinics
750013	Activities of sheltering animals and providing the necessary healthcare
750014	Activities of sheltering falcons and diagnosing their diseases, treatment and ways to take care of
771010	Renting self-driving cars
771020	Renting self-driving vans
771030	Renting self-driving buses
771041	Car rental mediators
772112	Renting self-driving water cycles
772120	Hiring & renting bikes

772192	Renting & operating cars and wheelchair
772201	Renting video tapes
772202	Renting video tapes, cd, discs and digital video cd
772901	Renting all kinds of wedding dresses and their accessories
772902	Renting furniture, glass, pots, kitchens and tableware
772903	Renting jewelry
772904	Renting event supplies, including (party tents, wedding dais, etc.)
772905	Renting books and magazines
772906	Renting electric, electronic and musical devices and equipment (for home use)
772907	Renting journey supplies
773011	Renting engines and turbines
773012	Renting motor equipment
773014	Renting radio & TV broadcasting and communication devices
773015	Renting movie production equipment
773016	Renting measurement and control equipment
773021	Renting motorcycles and caravans
773042	Renting and flying aerostat
773043	Renting pilotless-plane
773050	Renting and operating self-propelled agricultural and silvicultural equipment
773061	Renting cranes for construction purposes
773062	Renting work docks and scaffoldings
773071	Renting computers and their accessories
773072	Renting photography machines, printing machines and word processors
773073	Renting calculators, cash deposit machines and electronic calculators
773074	Renting office furniture, wardrobes for storing stuff and relaxing chairs
773080	Renting containers
791101	Activities of travelling and tourism agencies
791102	Activities of airline agencies
791211	Providing services to Non-Saudi Umra performers and the Prophet's Mosque visitors
791223	Organizing tours
791224	Activities of dragomen
799014	Booking & marketing tourist accommodation units
799020	Activities of booking and selling tickets for sport events, entertainment, Exhibitions and conferences
799032	Activities of tour guides
799034	Services of receiving and farewelling of Umra performers
799042	Regulating therapeutic services between patients and hospitals inside and outside the kingdom
802002	Installing, repairing, reconstructing and setting electronic and mechanic locking devices, safe and safe deposit box
811001	Activities of providing building security services
811002	Activities of cleaning services of governmental buildings
811003	Activities of buildings maintenance services
811005	Management of maintenance and operating process of buildings and related facilities
812100	General cleaning up of buildings
812901	Building external cleaning

812902	Building specialized cleaning, including chimneys, windows, etc.
812903	Cleaning & maintenance of swimming pools
812904	Activities of purgation and smoking to eliminate insects and rodents
812905	Tankers cleaning except planes
812906	Activities of cleaning up industrial machinery and equipment
812907	Activities of street cleaning
812908	Airplane cleaning
812911	Activities of environmental sanitation
813011	Cultivation & maintenance of parks and gardens for general accommodation
813013	Cultivation & maintenance of highway parks
813014	Maintenance of playgrounds and golf courses
813015	Maintenance of stagnant and running water, including (vat, lakes, waterways, swimming pools and wet spots)
813016	Cultivation & maintenance of noise buffer, anti-desertification, windbreak plants
813020	Activities of landscape designing services
813030	Activities of land maintenance to keep it suitable for farming and the environment
821100	Activities of integrated administrative services
821112	Activities of business incubators and accelerators
821902	Activities of copying and printing
821903	Activities of pre-printing services
823001	Regulating & managing exhibitions and conferences
823004	Regulating & managing crowds
823006	Operating centers and facilities of exhibitions and conferences
829101	Collecting debts
829102	Insurance information
