# Advantages of the Investment License

## For Commercial Activities

- It can be established with 100% foreign ownership.
- It can be established with a Saudi partner owning 75% of the capital.
- It covers activities in the commercial, service, agricultural, and industrial sectors.

# Investment License Requirements

## For 100% Foreign Ownership in Commercial Activities

1

The foreign company must have an active commercial registration and at least three existing branches outside Saudi Arabia, in three different countries, while maintaining the same share distribution among partners

3

A profitable financial statement is required

5

All documents must be attested by the Saudi Embassy in the parent company's country

2

A copy of the parent company's Articles of Incorporation (or Establishment Contract) must be provided

4

The minimum paid-up capital must not be less than SAR 30,000,000

# Investment License Requirements

## For Commercial Activities with a Saudi Partner

1

The foreign company must have a commercial registration that has been issued for at least one year

2

The Articles of Incorporation (Establishment Contract) must be provided

3

A profitable financial statement is required

4

The foreign partner's capital contribution must not be less than SAR 20,000,000

5

A Saudi partner must own at least 25% of the total capital

6

All documents must be attested by the Saudi Embassy in the parent company's country

Premium Residency holders are exempt from the requirement of having a foreign company when investing in commercial activities with a Saudi partner
